# FY07 COP

- **Increase in OVC Funds for South Africa**
- **Expansion opportunities**
- **Supportive of DSD Policy Framework on Orphans and other Children made Vulnerable by HIV and AIDS**
- **OGAC to release OVC Guidance soon**

## Guiding principles

Focus on the best interest of the child and the family

Prioritize family and household care

Support families and communities

Nurture Child participation

Gender disparities

Support for the DSD Framework on OVC and the National Plan of Action

Strengthen networks and systems

- Address gender in your program design and implementation
- Gender based violence, (minimize the vulnerability of female OVCs to GBV)
- Linkages to HIV prevention, treatment and care programs with particular emphasis on referrals for pediatric treatment
- Child Protection (efforts to minimize stigma, social neglect, abuse and exploitation)
- Discuss how you are supporting the implementation of the DSD Policy Framework

- Guidance for OVC program area on page 53 of the Guidance
- OVC Indicators on Page 62 of the Guidance
- New Additions to the Indicator list:
- # of OVC being referred for to or provided with Treatment
- # of family members provide with HIV-related palliative care (including TB)

- Q&A July 28, 2006
- Presentations from the OVC meeting in May are on the website
